

**DR. JONATHAN "JOSH" BULLOCK****Lake Land College President**

Dr. Bullock has served as president of Lake Land College in Mattoon, IL, since July 1, 2013. Prior to joining Lake Land College, Dr. Bullock served as the Vice President for Strategic Advancement at Moraine Park Technical College in Fond du Lac, WI.

Under Dr. Bullock's leadership, Lake Land College has implemented a comprehensive strategic planning process, enriched the Lake Land brand, developed unique training models to assist local businesses in sustaining a skilled workforce, launched the Presidential Scholarship program to provide educational opportunities for talented high school graduates and undertaken efforts to enhance its modern campus.

He is a proud Rotarian and is actively engaged in communities throughout east central Illinois, serving as a board member for numerous organizations including Coles Together, Sarah Bush Lincoln Health System and East Central Illinois Development Corporation - a regional economic development entity that has been promoting the need for enhanced rural broadband access since 2012.

With Lake Land College spanning the second largest geographic district in the state of Illinois and comprised of significant rural areas, Dr. Bullock views the expansion of rural broadband access as a necessity for education equity.

A Commissioner with the Illinois Student Assistance Commission and an officer in the Illinois Council of Community College Presidents, Dr. Bullock has nearly 30 years of experience in higher education as a teacher and administrator, in addition to a successful career in the private sector.

He earned a Doctor of Philosophy from Marian University, a Master of Business Administration from the University of Wisconsin - Oshkosh, and a Bachelor of Business Administration from the University of Wisconsin - Madison.
